Dear Laila

Laila'S Fine Foods Ltd ranked in Investec Mid-Market 100 list of fastest growing UK companies

I'm writing to let you know that, following your outstanding growth record over the past few years, Laila'S Fine Foods Ltd has made it into the Investec Mid-Market 100 list.

The Mid-Market 100 is an exciting initiative, created by Investec and data specialist Experian, which provides a dynamic ranking of the fastest growing private companies in the UK with a minimum turnover of £10 million. The final list will be covered by *The Times* and will be published on an interactive online platform - updated regularly to reflect the dynamism of this sector. It will be officially unveiled at the Investec Mid-Market Summit on 20 November 2015 at The Corinthia Hotel, London. Enclosed is a formal invitation for the event, we hope that you're able to make it so we can celebrate your success.

Investec is a specialist bank with deep entrepreneurial roots and a focus and track record of working with Mid-Market companies. Through this campaign, we seek to celebrate the achievements and showcase the performance trends of the UK Mid-Market in a number of ways. A member of the team will be in touch to offer their personal congratulations and to let you know a bit more about the programme.

The Mid-Market makes a massive contribution to the UK economy and your achievements are of particular note. Congratulations on your success and we look forward to speaking with you soon.

With our very best wishes,
